INSTALLATION INSTRUCTIONS

PART NUMBER: TLX15-FM

FOR: 2015+ Acura TLX

EFFECTIVE: 12.30.2019

INSTALLATION PACKAGE INCLUDES:

- A) 2 – M6 1/2" Screws
- B) 2 – Hole Locators
- C) 2 – Flat Washers

EXTRA TOOLS NEEDED: 1/8" drill bit or similar, Uni-Bit for 3/8" holes in top of deck lid, Phillips screwdriver to tighten machine screws.

PLEASE READ ALL INSTRUCTIONS BEFORE BEGINNING INSTALLATION

1. Remove the trunk liner.
2. Center the Sportwing® onto the decklid from left to right. There should be a slight, 3/8" gap on each side as shown in Diagram A.

(DIAGRAM A)**(DIAGRAM B)**

3. Next, take a grease pencil and outline the edges of the Sportwing® on both the driver and passenger sides. Place the Sportwing® aside on a soft cloth to prevent scratching. Proceed to place a cover or blanket inside of the trunk to protect it from metal shavings from drilling. Place the provided hole locators over the screw holes on the Sportwing® (As Shown in Diagram B). Using the outlined marks you made, place the Sportwing® back on the decklid and tape the ends of the hole locators onto the car and carefully lift them off the Sportwing®.
4. Next, drill into the exact center of the hole locator using your 1/8" drill bit. Once the holes are drilled you can remove the hole locators. Now, using a Uni-Bit, open the holes to 3/8". Once the holes are opened, use touch-up paint over the bare metal around the holes. Once dry you can begin to remove the red tape liner on your Sportwing® and place the Sportwing® in line with the outlined marks you made on the decklid. Check to ensure the screw holes are visible on the underside of the decklid where your drilled holes are. You can now insert both screws into the Sportwing® and tighten (be sure not to over tighten the screws to avoid stripping them). Once tight you can assemble trunk liner back on.
6. Clean up any metal shavings, and you are done. If you have any questions or would like more information about other quality Sportwing® products, please call the TOLL-FREE number at the top of this sheet. Thank you for choosing Dawn Enterprises Inc.
